

## Martyn Adam's chess sets and books

Martyn was a member of the chess club for over 20 years, having joined on retiring from teaching mathematics at a school in Wimborne and moving to Sidmouth in 2004. Sadly, Martyn died earlier in the year. He left his sets and books to Steve Dean, who has asked that we sell them to raise money for Sidmouth chess club. Information about the sets and a suggested donation is given below. Please help the club and remember Martyn by buying a set. If you don't need one yourself, you could always give one to a family member or friend.
